

CLIL in Literature

Frank McCourt, *Angela's Ashes*

Activities

A) In the text there are many words/phrases that have a specific meaning in religious vocabulary. Search for the meaning of the following:

|                   |  |
|-------------------|--|
| Seven Virtues     |  |
| Seven Deadly Sins |  |
| First Communion   |  |
| Hail Mary         |  |
| Act of Contrition |  |

B) In a short text (approx. 70 lines) compare the educational system and especially the relationship between teachers and students in Ireland of the beginning of the previous century and in Greece nowadays. Use adjectives, comparatives and conjunctions that express oppositional/contrastive relationship (e.g. *however, instead of, on the other hand, nevertheless, as opposed to, in contrast to etc.*).
